Private Company Registration

It enhances your identity and adds credibility to your operation: Registering a business makes it easy for potential customers to identify you as a legitimate operation. Investors are more likely to take you seriously if you're asking for investment in a registered business.

Chamber of Commerce

Provides an opportunity to its members to involve in Chamber's activities and meet Government officials, Federal and Provincial Ministers, Ambassadors and Leading Businessmen both Local and International.

Trade Mark Registration

A trademark is any graphical mark which is capable of distinguishing goods or services of one business from those of another business.

Trademark law in Pakistan is governed by the Trademarks Ordinance, 2001.

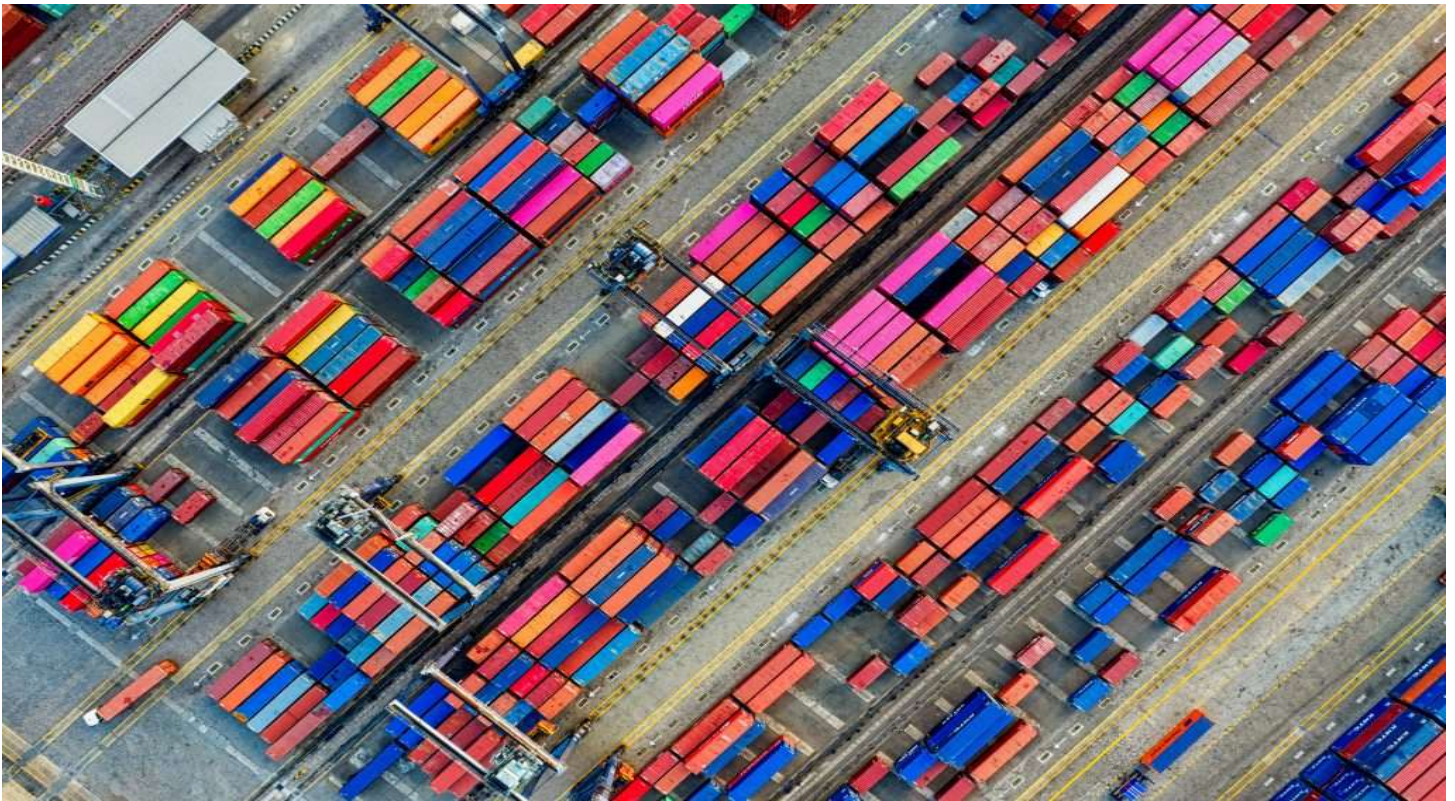

NTN and Tax Return

Persons appearing on Active Taxpayer List (ATL) have to bear almost half of the withholding tax as compare to inactive taxpayers. Lower rates of tax deduction at source by banks on both profits and cash withdrawals. Reduction on withholding tax (tax already deducted from your income and gains) when registering and transferring motor vehicles. Lower rate of tax on buying and selling of property.

GST Registration

If a registered person has over paid sales tax because of error, he/she may request a refund of the overpaid amount from the tax authorities within one year after the payment is made or after the decision or order causing the refund is announced from the end of the period for which a claim is made.

Import and Export License

The registration of Import Export License allows you to increase the scope of your business. You can import/export outside India and increase the probability of gaining profits. This will increase business relations with other countries and improve the goodwill of your company.

Amazon Business Registration

Amazon (Amazon.com) is the world's largest online retailer and a prominent cloud service provider. An Amazon seller account is what allows you to sell in the Amazon store. Once you register as an Amazon seller and choose a selling plan, you'll have access to Seller Central as part of your business account.

Website Designing and Development

A website can help businesses increase flexibility, control, branding and credibility. Eighty-four percent of U.S. consumers believe a business with a website is more credible than one that only has a social media page. To be credible and attract new customers, a website can make a difference.
